# WISDOM ART PRINTS

## THE LOVE IS IN THE DETAIL

### Who we are.

We are a family-run creative studio, offering a broad range of stylish art prints and greeting cards, designed and printed in Britain! We're illustrating our home county of Essex and neighbouring Suffolk, capturing the region's most beautiful places in our iconic art style; as well as celebrating the nation's history with our illustrations of historic aircraft, locomotives, and cars. Our illustration process does not use Artificial Intelligence (AI) at any point, relying instead on authentic human creativity.

### What is available to buy and how much?

We offer a broad range of A5 Greeting Cards and A3 High Definition Prints, dependant upon stock levels. This booklet detail our entire range, with information on what categories are in stock.

**Cards:** High-definition A5 greeting cards, blank inside. Supplied with envelopes. RRP £2.95.

**A3:** High-definition A3 prints, supplied in cellophane with card backing board. RRP £25.

**Custom:** Giclée art prints of all sizes are available, printed to order in our studio. Other formats, such as postcards, mugs, fridge magnets, and so on, may be ordered in, subject to minimum quantities.

Please see our [Become a Stockist page](#) for more information.

For our retail prices, please get in touch via [studio@wisdomartprints.co.uk](mailto:studio@wisdomartprints.co.uk).

### We love the environment!

We want to keep Essex beautiful and protect our environment. All our print is locally sourced with one of only 40 Carbon Balanced Publication Printers in the UK (with the World Land Trust), they are FSC accredited and use certified FSC papers. This helps protect and maintain rainforests around the world.

Where packaging is necessary, it's 100% recyclable card and compostable cellophane (EN13432) ([read more](#)). Our deliveries are made via electric vehicle, charged on a green energy tariff using 100% renewable energy.
